

Product Owner

Join the brand that is transforming rural areas with ultrafast full fibre broadband. We're the team where talented people are encouraged to thrive and enhance their career.

Powered by brilliant people with bright ideas, we want to hear yours. Our success is driven by your creativity, collaboration and commitment.

You will play a vital role in helping to organise and prioritise work in the team. Owning the backlog for a small number of products, you will help ensure the delivery of high quality, fit-for purpose software.

Gigaclear appreciate the value of Agile development methodologies and would like the Product Owner to act as an evangelist for Agile in the team and the broader business. Finally, you will report on progress throughout projects and grow to be a recognised expert in the products they own.

You are ambitious with the tenacity to succeed. You will be able to demonstrate the essential criteria whilst bringing your own passion and ideas. We are happy to consider applications from those seeking a change of career but who can demonstrate the skills below. Some of the key skills you will possess are:

- Minimum of 2 years' experience working in a similar role
- Understanding of Agile methodologies and practices
- Requirements gathering – teasing true requirements out of end users
- Great communication skills, including communicating technical concepts to non-technical stakeholders, with good attention to detail.
- Produce clear, concise documentation and user stories
- Creative and user focussed
- Running requirement gathering and scoping workshops
- Identification of Minimum Viable Product (MVP) from pre-existing backlog
- Working closely with developers, testers and business stakeholders
- Managing prioritisation across several stakeholders
- Exposure to JIRA and Confluence is desirable
- Experience of different Agile methodologies – Scrum, Kanban, XP etc is desirable
- CSPO or similar is desirable

You share our values. They make us who we are:

- **Find a way:** Always working together to deliver market-leading solutions and provide customer service excellence to our communities
- **Be committed:** We are all accountable for our actions and work relentlessly with our many customers to deliver on our promises
- **Do the right thing:** We always base our decisions on what we believe is fair, considerate and in the best interest of our customers and our colleagues
- **Keep it simple:** In an industry of complexity and confusion, we make things easy for everyone to understand

Culture & benefits:

We empower people to do what they do best; fast. We want you to bring you, so we don't 'fence' anyone in to a single way of working. You will get the latest news through our staff magazine, Gigabites, and monthly company updates (food can play a major part in this!). You are living and breathing our values, so your colleagues may nominate you for our Star of the Month award. If you win you get an extra day's holiday. Like us, you probably like to get a bit social too. We have a weekly running club, Gigaclear FC plus two company socials a year, and more.

On top of this we offer great benefits such as, uncapped commission, car allowance, flexible working conditions, study support, Income Protection, Life Assurance, a generous contributory pension scheme and 25 days holiday (plus bank holidays) with the option to purchase additional holidays.

When you apply for this role, please access the full job description in the account registration area.
